

HTA Diagram

=====

This document includes a Hierarchical Task Analysis (HTA) diagram and descriptions for system tasks.

HTA Structure Example:

Task 0: Manage Procurement Requests

- | - Task 1: Receive Request
- | - Task 2: Validate Information
- | - Task 3: Approve or Reject
- | - Task 4: Notify Requestor

Each task is described in terms of its inputs, processes, and outputs. The HTA enables systematic understanding of workflow efficiency and user interaction.
